

BANQU A TRUSTED PLATFORM FOR GLASS RECYCLERS

Ardagh Glass Packaging is using new technology to drive growth in glass recycling.

The easy-to-use, web-based BanQu platform will enable transactions in the glass recycling value chain to take place **safely, quickly** and **easily**.

BENEFITS OF JOINING BANQU:

- ✓ Transact anywhere, anytime on any internet connected device.
- ✓ Transact easily and securely with third parties.
- ✓ Instant payments via cashless transactions.
- ✓ Cashless transactions reduce risk around cash and payments.
- ✓ It saves you bank fees on transactions.
- ✓ Electronic transactions replace paper documents and provide record.
- ✓ Where certain recyclers qualify for subsidies and incentives these can be easily paid.

BANQU TECHNOLOGY ENABLES:
