

How do I register on BanQu?

BanQu works on any web-enabled device, this means a cell phone, computer, laptop or tablet that has internet connection. Standard network charges will apply for data usage.

Level 1 glass recyclers who are already registered vendors with Ardagh Glass Packaging will be invited, via a BanQu link, to complete sign-up.

Contact the AGP Recycling office at 011 874 2142/2328/2327 for assistance.

Level 2 and 3 recyclers can register on BanQu (banqu.co) by invitation or they can self-register at <https://agp-signup.banqu.app/>

Only an existing BanQu user can invite a new user to the platform on his/her behalf. If the seller is not already on BanQu, the buyer invites the seller via the BanQu platform – the seller will receive a BanQu link via SMS. The seller accepts the invitation to begin transacting.

A seller can be linked to more than one buyer, but each buyer must send the seller a link to connect before they can transact.

Self-registration: Level 2 and 3 recyclers will have to select a buyer on the system to partner with once registered.

Visit <https://agp-signup.banqu.app/> to begin self-registration on BanQu.

Documents needed for registration (Levels 1 and 2):

- ✓ Affidavit required if a QSE is 51% or more black-owned. If less than 51%, then a BEE certificate is required.
- ✓ A certified copy of the seller's ID.
- ✓ A BEE certificate or an affidavit confirming BEE status for the current year.

Documents available from buyer or on the money4glass website (money4glass.co.za).

BanQu is compliant with the Protection of Personal Information Act (POPIA), which means that your personal information is secure and will not be shared with anyone.
