

How do cashless payments work for level 2 and 3 recyclers?

One of the benefits of using the BanQu platform for glass recycling transactions is that it enables cashless, real-time transactions which reduce the risk around cash and payment.

All you need is a kasiCASH account which you can create on your cell phone.

Dial ***134*20039#** to open your FREE kasiCASH account.

- ✔ Cashless transactions are quick – Get immediate payment in Digital Rand vouchers in your kasiCASH account and enjoy a safe and easy way to transact using your mobile phone.
- ✔ Best of all, you don't even need airtime or data to access your kasiCASH account and transact.
- ✔ Your Digital Rands are accessed easily by dialing ***134*20039#** and entering your secure 4-digit PIN.
- ✔ Your Digital Rands can be used to pay for goods and services from thousands of stores and online retailers including Shoprite, Checkers, Pick n Pay, Mr D, Usave, Steers, Hungry Lion and much more.
